REMARKS.

The heavy showers of last August added greatly to the amount expended for repairs of Highways. Most of the roads are now in good condition, and unless we have extraordinary rains can be kept so at a small cost.

We would recommend as a matter of economy, that several small wooden bridges be replaced by *substantial stone structures*.

The increase of the debt was occasioned by the rebuilding of the County Farm Bridge, at a cost of 3000 dollars.

Respectfully submitted,

WILLIAM D. STEARNS,
GEORGE A. RIDEOUT,
GEORGE I. DOE,

Selectmen of Wilton.

We hereby certify that we have examined the foregoing accounts, and find them correct and vouchers have been presented for the amounts paid.

ENGINEERS' REPORT.

SCHEDULE OF FIRE APPARATUS BELONGING TO THE TOWN OF WILTON.

One fire pump and four hydrants all in good working order and ready at a moment's notice to do service.

Engine house No. 1, which contains the following apparatus: Engine No. 1, with two hose carriages complete, with four buckets, 2 axes, 1 spade, 1 iron bar, 1 ice chisel, 26 feet of suction hose, 1000 feet leather leading hose, 450 feet cotton rubber lined hose, 3 discharge pipes, 1 blunderbuss, 4 hydrant gates, 16 spanners and belts, 5 rubber coats. The engine house has the following fixtures: 1 stove and boiler for engine room, 8 lanterns, 5 bracket lamps, 3 ladders, 17½, 26 and 30 feet, 2 fire hooks and fixtures, 2 cans, 1 oil can, 2 water pails, etc., 1 cottage stove for hall, 10 settees, 1 chandelier with 4 lamps, 1 stand lamp, 1 table, 2 chairs, 1 pump and sink.

AT FRENCH VILLAGE.

Engine No. 2, with hose carriage complete, with 2 buckets, 2

axes, 1 shovel, 1 iron bar, 24 feet of suction hose, 100 feet leather hose, 400 feet cotton rubber lined leading hose, 1 discharge pipe, 1 blunderbuss, 14 spanners, 8 belts, 3 wrenches, 3 rubber coats, with 20 men. The engine house has the following fixtures: 1 stove and pipe, 1 boiler, 2 oil cans, 1 jug, 1 oiler, 1 pail, 1 stove and pipe for hall, 9 settees, 2 chairs, 1 table, 3 ladders, 17, 20 and 30 feet, 2 fire hooks and fixtures, 6 lanterns.

Both engines and fire pumps are, in our opinion, in perfect condition, and ready at any time to do service. The hose and all other fire apparatus are in good condition.

December 21, 1885, soon after the late fire, the engineers thought best in order to have a better and a more effective organization of the fire department voted to disband the two engine companies and reorganize the two engine companies with a hose company of 20 men each. The orders were legally issued. The town has been paying from eighty to ninety men. Under the new arrangement sixty men and no more were called for. It may be said that twenty men can take good care of the property that is entrusted to their care and keep the engine in good working order, but when it comes to working the engine in case of fire, twenty men are not sufficient. We admit it. The firewards have the power and it is their duty to call into service a sufficient number of men. The fine is fifty dollars if the summons is not obeyed.

No man can work on a hand engine but a short time; he must be relieved. In case of fire the firewards would be obliged to call in volunteers if there were forty or fifty men in each company. The engineers are of the opinion that with the hydrants and a hose company of twenty men that it is useless for the town to pay for more than twenty men in each company, sixty men in all.

Engine Company No. 2, at French Village promptly organized with twenty men. Engine Company No. 1, we trust will soon be organized and a hose company of twenty men. The firewards would recommend the moving of the property of the fire department in East Village from the engine house, to the town.

house ; the property would be better protected from fire, the town could sell the building and add to the taxable property of the town. The firewards have acted in good faith in this matter, with no other object than for the best interests of the town and the protection of their property from fire.

Respectfully submitted,

G. W. WALLACE,
J. L. HARDY,
DANIEL CRAGIN,

Board of Fire Engineers of Wilton.

Hannah W. Hardy, died Nov. 22d; buried in Lowell; aged 77 years.

Infant child of Albert Steele, died Nov. 29th.

Joanna Lewis, died Dec. 8th, aged 88 years.

Deaths in Wilton in 1885, 23.

Aggregate age, 1,205 years, 5 months and 9 days.

Average age, 52 years and 5 months.

WILLIAM H. BARNES,
HENRY N. BLANCHARD, } Sextons.

REPORT OF SCHOOLS.

DISTRICT NO. 1.

David W. Russell, Prudential Committee.

This school has been under the care of Miss Emma F. Wyman during the year, making seven consecutive terms she has taught this school. Her usual method of instruction has been followed, and the school has maintained its standing in every particular. The work of the year has been slightly interfered with by sickness.

Young teachers would do well to study Miss Wyman's methods.
Winter term not closed.

DISTRICT NO. 2.

Jacob Putnam, Prudential Committee.

Hattie F. Crosby, teacher. The prudential committee was anxious to have his school a success in every way, and he was successful in securing a teacher whose qualification and faithfulness, with the co-operation of scholars and parents, secured the desired result. Miss Crosby has had but little previous experience in teaching, but her success in this school indicates that she is destined to make one of our very best teachers. The teacher worked hard and she inspired the spirit of work in her pupils.

Excellent order was maintained both in school hours and out. The results of the year are commendable to all concerned.

DISTRICT NO. 3.

Edward L. Smiley, Prudential Committee.

There has been only one term of school in this district, this was taught by Miss Mary E. Smiley. The school contained only three scholars. It seemed pleasant and was profitable.

DISTRICT NO. 4.

David E. Proctor, Prudential Committee.

PRIMARY DEPARTMENT. Miss Elizabeth J. Gage, teacher. Her room has been crowded each term and her work of teaching and caring for so many little ones has been very hard.

Her work has been done in a manner highly satisfactory to your committee, and I think to all.

INTERMEDIATE DEPARTMENT. Miss Jennie F. White, teacher. Everything has been in good condition through the year, and excellent progress has been made.

GRAMMAR DEPARTMENT. Miss Clara H. Blood has continued her good work in this school through the year. Her school showed results of good care and faithful work. All the classes did credit to themselves and to their teacher.

HIGH DEPARTMENT. This school was very fortunate in securing the services of Mr. C. H. Morrill again for the year. Under his management a high order of discipline has been maintained and thorough work done. An attempt has been made in this district to bring the schools under a more perfect system of grading. This caused some friction at first, but I think we have begun already to see the good results of it. The schools did more and better work in consequence and are in a better condition for the year to come. All credit for the change is due the teachers.

DISTRICT NO. 5.

Stanley H. Abbott, Prudential Committee.

Summer term taught by Miss May H. Kimball. This was Miss Kimball's first experience in teaching consequently there were signs of inexperience. But she was desirous of filling well her place and worked hard. School pleasant and advancement good.

Fall and winter terms taught by Miss Jennie L. Abbott. Her work has been attended with very satisfactory results. The school has done a good years' work. The school has a few days yet to keep.

DISTRICT NO. 6.

John M. Herlihy, Prudential Committee.

Taught by Miss Hannah J. Herlihy. The advancement was good. This is Miss Herlihy's third year in the school, and the high standing of the school reflects credit on the teacher and indicates the ability of the scholars. According to the number of weeks no school has made better progress.

DISTRICT NO. 7.

No school.

DISTRICT NO. 8.

Hosea Dutton, Prudential Committee.

Lillian E. Davison teacher. One excellent feature of this school was the good feeling existing between teacher and scholars. This is characteristic of Miss Davison's schools. The closing examination was sufficient proof that there had been much thorough work done. The advancement was good.

DISTRICT NO. 9.

Charles Hesselton, Prudential Committee.

Miss Elizabeth C. Spalding teacher. If all the scholars had worked as hard as the teacher the school would have been a complete success. Miss Spalding's methods of instruction are good and she worked hard for the good of her school. The examination showed that good advancement was made. The progress made by some of the smaller scholars was excellent.

DISTRICT NO. 10.

Joel H. Perham, Prudential Committee.

Summer term taught by Miss Fannie L. Carleton. This was a very short term, yet a goodly amount of work was accomplished and everything seemed to indicate a very successful term.

Fall term taught by Miss Lizzie M. Spalding. Miss Spalding is a young teacher. Her work here showed signs of inexperience. Doubtless with experience, Miss Spalding may make a good teacher. We find some very good minds in this little school. They need better advantages.

ROLL OF HONOR.

DISTRICT NO. 1.

Year. Helen L. Russell.

One Term. Arthur Russell, Harry G. Blanchard, George C. Carleton, Charlie Baldwin, Georgie Gane, Rose M. Hutchinson, Annie M. Carleton.

DISTRICT NO. 2.

Year. May B. Hartshorn.

Two Terms. Perley J. Wilkerson, Amy L. Patterson.

One Term. Willie E. Hickey, Putnam A. Patterson, Nellie F. Hickey, Flora A. E. Wilkerson, Bertha French, Marion French, Jessie E. Patterson, Marion M. Hartshorn.

DISTRICT NO. 4.

PRIMARY SCHOOL. Year. Lotta Trevitt.

Two Terms. Charlie H. Dunbar, John F. Grigwite, Henry H. Putnam, George S. Proctor, Grace A. Sheldon, Clytie G. Putnam.

One Term. George F. Steele, Walter T. Young, Joseph B. Corthell, Eddie Holland, Maggie Brennan, Joanne Brennan, Rosie A. Paro, Maggie S. Shea.

Two Terms. Parker Avery, Leon Dawson, Willie Shea, Georgia Young, Lizzie Desilets, Eva Fessenden.

One Term. Sherwood Avery, George Levine, Johnnie Carter, Andy Ward, Freddie Young, George Wheeler, Ethel Dawson, Dora Holt, Aggie O'Donnell, Iva Steele, Katie Kennedy, Bridget Brennan, Jennie Desilets, Mary S. Wheeler,

GRAMMAR SCHOOL. Two Terms. Charlie McKay, Patsy Kennedy, George E. Powers, Thomas Kelley, James O'Donnell, Nettie S. Putnam, Lilla B. Dawson, Grace L. Powers, Grace M. Sumner, Kittie E. Kent.

One Term. Annie L. Fessenden, Gertrude M. Burdick, Hattie L. Foster, Maggie T. Kelley.

HIGH SCHOOL. Year. Frank Proctor, Maude Harrison, Addie McKay, Mary Proctor.

Two Terms. Willie Emerson, John McKay, Harry Powers, Cornelius O'Neil, Dora Bales, Mary O'Donnell, Gussie Putnam, Eva Melvine, May Stearns.

One Term. Herbert Barker, Bennie Burns, Eddie Ingalls, Myrtle Ingalls, Will Lord, Chester Bales, Michael Kennedy, Bessie Kent, Jessie Kent, Nellie Mahoney, Anne Ramsey, Florence Ring.

DISTRICT NO. 5.

Two Terms. Henry H. Hurley, George N. B. Hurley, Abbie F. Clark, Mabel L. Clark.

One Term. James H. Hurley, Charles G. Abbot, Archie B. Gage.

DISTRICT NO. 6.

Year. Willis A. Herlihy, Alice F. Herlihy, Katie J. Herlihy.

One Term. Henry P. Herlihy, Charlie E. Herlihy, Lizzie M. Herlihy.

DISTRICT NO. 8,

Year. Byron L. Frye, Joseph Keyes, Otis Keyes, Annie E. Dutton, Cosette Frye, Susie R. Keyes.

Two Terms. Charlie Frye, Fred Austin, Edwin Keyes, Hattie Holt, Nellie Frye, Gertrude Ring, Mary May.

One Term. Orville Frye, Fred Holt, Archie Smith, Edward Austin, Linnie Frye, Lizzie May, Grace Frye.

DISTRICT NO. 9.

Year. Ethel J. Bailey.

One Term. Owen S. Chandler, Nora B. Chandler, Carrie R. Hutchinson.

DISTRICT NO. 10.

Year. Polly M. Perham, Lizzie A. Perham, Nellie M. Perham.

One Term. May L. Perham, George W. Perham, Katie P. Curtis.

REMARKS.

Another school year is nearly completed and your committee feels that it has been a very successful one. You will notice that there has been very little change in teachers from last year. This in most cases has been favorable to the schools. A teacher who is acquainted with a school can accomplish more than a new teacher.

At the close of this year, district lines will be abolished and the town will constitute one district. Our schools will then be managed by a board of education. This for Wilton has many advantages over the old system.

It will give equal advantages to all scholars. It will make all the school money available for present use. It will make it possible to furnish a school of a higher grade for our older scholars, so that much that is now spent in sending scholars away may be saved, and our scholars given as good advantage at home.

The requirement that Physiology and Hygiene shall be taught in schools has been faithfully carried out by most of our teachers, and it is hoped that impressions have been made on all the scholars that will save them from the sad results attending the use of tobacco or strong drink. This good work should be continued. In retiring from all official connection with the schools of Wilton, I desire to thank the people for the confidence they have manifested in me during the past four years.

Respectfully submitted,

GEO. C. TROW,

School Committee of Wilton, N. H.

Feb. 20, 1886.
